# CHALET DELORMES

VERBIER - SLEEPS 14+1

Chalet Delormes occupies one of Verbier’s most impressive locations

# DESCRIPTION

Nestled in the exclusive Le Hameau development and surrounded by tranquil garden, this Verbier chalet is in a prime position just 100m from the Le Rouge piste and a short stroll from the beginner nursery slopes. A luxurious, spacious private home, Chalet Delormes has every comfort you could possibly wish for from your hideaway in the mountains.

Sleeping 15 people in seven individually designed bedrooms, this stand-alone luxury chalet is one of a kind. All the bedrooms have either en-suite or private shower/bathrooms. Traditional materials have been combined with the artistic vision of the owner to create a sumptuous chalet where no attention to detail has been spared.

You enter the chalet into a spacious hallway. On this floor is the well-equipped ski room and an additional guest WC. Beautiful furnishings, gorgeous textures, and minimalist, contemporary design create an impressive master bedroom. Floor to ceiling French windows open out onto a shared terrace where the views are simply breathtaking. The impressive en-suite bathroom has his and hers sinks, a large free-standing bath, and a separate shower. There is a further twin/double bedroom with an en-suite bathroom and French windows opening out onto the terrace.

The main living area is located on the second floor. Sliding doors open out onto the large terrace allowing natural light to flood in. Focused around the large stone fireplace, the careful design has created an elegant and sophisticated space, perfect for entertaining. Overlooking the dining area is the fully-equipped kitchen which has been finished to the highest standard.

Also on this floor is a twin/double bedroom and a bunk room sleeping two people. These bedrooms share a contemporary en-suite bathroom. A small staircase leads off the kitchen area to the mezzanine double bedroom situated in the eaves. This bedroom has an en-suite shower room.

One of the highlights of the chalet is the wellness area which is located on the ground floor. An indoor hot tub, sauna, and rain showers provide ultimate relaxation. You can also find your way out to the spacious sunny garden from this floor. As well as the spa, there is a TV and games room. A pool table and dart board provide endless entertainment, while the large L-shaped sofa provides the perfect spot to relax and unwind in front of the fire. There is a small kitchen and bar area.

Also on this floor is a twin/double bedroom with en-suite bathroom and French windows which open out onto the lovely sunny garden. There is also a children’s bunk room sleeping three which has a private shower room.

*please note the fireplace in the master bedroom does not work.
