DESCRIPTION

REDEFINING THE LUXURY CHALET EXPERIENCE

Alpine Myth is perfectly positioned to allow our guests to immerse themselves in the exciting and vibrant atmosphere of the resort. A 13-minute walk to the heart of St Anton village and a 3-minute walk to the Nassereinbahn lift makes this exceptional Alpine home the ideal place to stay for an unforgettable Tyrol experience.

This welcoming alpine home has a bright, comfortable and airy open-plan living and dining space that is centered around a rustic stone wood-burning fireplace. Whether you are curled up in front of the TV or sharing dinner together around the solid wood 8-seater dining table, the space is perfectly set up for your needs. There is an adjoining stainless steel professional chef's kitchen with all modern appliances and conveniences.

The living area features a large, comfortable L-shaped sofa and a large screen TV and has been beautifully decorated with rustic wood, selected artwork, soft furnishings and statement lighting. Velvet teal armchairs and mustard yellow curtains add splashes of colour to this cosy space. The living area is flooded with sunlight during the day thanks to the floor-to-ceiling glass doors which open out onto the balcony where you can enjoy your morning coffee with unobstructed panoramic views across the pine-forested hills and mountains beyond.

Comfortably sleeping eight in three stylish double bedrooms and one twin bedroom. Every room has balcony access, a wall-mounted TV and a sleek and en-suite bathroom. The bedrooms have been thoughtfully decorated with warm alpine elements and a fresh colour palette, and the unspoilt mountain views will have you awakening refreshed and ready to get out onto the slopes!

An exceptional feature of this amazing residence is your own large private spa room dedicated to rest and relaxation. With spa loungers, a sauna and a large jacuzzi-style bath with jets, you can retreat here to unwind at any time of the day, but especially after an action-filled session on the mountain to rejuvenate your legs.

There are two designated outdoor parking spaces for your exclusive use as well as private laundry facilities.
