DESCRIPTION

REDEFINING THE LUXURY CHALET EXPERIENCE

Minutes from both the Medran lift station and bustling Place Centrale, the stunning Apartment Madelia is a surprising haven for peace and quiet despite its central location, occupying the lofty top floor of a building that overlooks the vast mountains in the distance.

Recently renovated by the new owners, the whole property is light, bright and spacious, harmoniously balancing modernity with tasteful accents in the form of carefully curated art, furnishings and traditional elements.

Entering the spacious living and dining area, you are immediately greeted by sleek sofas and accent chairs surrounding the large and prominent aged stone hearth of the fireplace. Combined with a gorgeous solid wood 8-seater dining table and ultra-stylish accent lighting, this airy space has been injected with personality and has a wonderful ambience for entertaining, or simply relaxing with loved ones.

Floor-to-ceiling glass doors allow for excellent views across the peaks, opening out onto the long balcony, landscaped with greenery from a local supplier and plenty of seating where you can soak up the winter sunshine.

Adjacent to this is the semi-open kitchen, finished with beautiful white marble surfaces and fully-equipped with high-end Miele appliances and a 2-seater breakfast bar. Next to the main entrance is the hallway/cloakroom area with plenty of storage space and a guest WC.

Heading down the corridor, you'll find the four unique en-suite double bedrooms. Each attentively decorated with cosy soft furnishings and stylish accent pieces, they all have the same light and modern feel as well as generously-sized wardrobes.

The master bedroom boasts an en-suite with his n' hers sinks and a large shower/hammam to soothe tired ski muscles in. It shares a balcony with the living room and another double bedroom, again with its own shower room.

The further two double bedrooms are similarly decorated, with one boasting a shower room with skylight, and the other with a bathroom which houses the apartment's private laundry facilities.

This property comes with one allocated parking space in the underground garage, and an elevator easily connects all floors of the building. Guests can make use of a private ski locker within the shared ski room.
