A beautiful apartment located in a peaceful area very close to the centre of town and all of its amenities. The apartment has four bedrooms, and sleeps 6 adults and 4 children. Set over 2 floors this stylishly decorated apartment has a fabulous open plan kitchen, living and dining area complete with wood burning fireplace to relax in front of on snowy evenings.

The living area has been tastefully furnished with timeless pieces to create a warm and welcoming atmosphere, and the open fire adds the cosy factor. Clad in a beautiful quality light wood, the apartment is full of alpine ambience, and the large windows allow for plenty of winter sunlight to spill in throughout the day. The dining table can comfortably seat 10 guests and is a wonderful setting for dinners with your loved ones. The kitchen is well-equipped and overlooks the dining area, ideal for entertaining.

The living space has access to a balcony where you can enjoy your morning coffee with stunning views of the mountains in the distance. On this floor, you will also find a TV room, perfect for hunkering down together for a family movie night after dinner. From this room, you can access the beautiful wooden outdoor hot tub, the ideal spot to enjoy an après ski drink and soak your ski muscles after a full day exploring the slopes.

The bright children's bunk bedroom is also situated on the living floor, with an en-suite shower room, as well as a convenient guest WC.

Taking the stairs down you will find the main sleeping floor. The first bedroom is the plush and airy master bedroom, decorated in light neutral tones to promote rest and relaxation, and with a beautiful en–suite bathroom with separate shower.

This bedroom also has access to the garden, where the freestanding sauna with adjoining shower is located, ideal for a moment of peace and quiet to soothe the soul.

There are a further two tastefully decorated double bedrooms on this floor, both similarly spacious, bright and comfortable - one with an ensuite bathroom and the other with a separate shower room.

The apartment's close proximity to the centre of the village makes it the perfect place to explore Verbier's many restaurants, and with the nearest ski lifts under a 10-minute walk away through the heart of town, you'll be in prime position to explore the slopes too.

There are both private and shared laundry facilities, a private ski locker within the shared ski room of the building, and one designated indoor parking space for this apartment.
