CHALET ACONCAGUA

ZERMATT - SLEEPS 10+2 SPA

In Zermatt, luxury has attained a new peak. Switzerland’s most famous alpine village is the backdrop for one of the most prestigious private chalet developments in the Alps. Proudly positioned in view of the iconic Matterhorn, in a world-famous resort acclaimed for its epic skiing, its fine art of living, gastronomy and hotels, Chalet Aconcagua, within the unrivalled 7 Heaven's development, offers exquisite mountain living in formidable style.

DESCRIPTION

Chalet Aconcagua is one of seven sumptuous chalets comprising the exclusive 7 Heavens project, ideally located in the centre of the village.

Chalet Aconcagua is in immediate proximity to the shopping, nightlife and the main railway station. The Sunnegga funicular is only a short stroll from the chalet and takes you directly up to the ski slopes in minutes.

The 7 Heavens share an impressive entrance hall leading into the lobby and central living room where guests are invited to relax and unwind with a drink from the bar. For all guests in the 7 Heavens, there is a state-of-the-art gym with all the latest equipment for the more energetically inclined.

Upon entering Chalet Aconcagua and depositing your skis and boots in your private ski room on the entrance level, the elevator whisks you up through the chalet.

Set out over four floors, authentic timbers and woods have been harmonised beautifully with plush furnishings to create the ultimate luxury alpine residence. Ultra-modern design has been seamlessly fused with traditional alpine features including all the latest sound and vision features appealing to even the most discerning client. This magnificent 550m2 chalet faces due southwest with extraordinary views of the Matterhorn.

The interior architecture and finishings are befitting of this world class development. The sumptuous and elegant furnishings and fixtures create a warm, refined atmosphere in which to unwind in front of the fire and savour the infinite enjoyment of relaxing after wonderful days on the slopes, never tiring of the ever-changing mountain scenery. The fantastic service that Haute Montagne offers will only enhance this exquisite experience.

Moving downstairs to the second floor of the property, there are two master bedrooms both facing south west and featuring wonderful views of the mountain. The main master bedroom has a dressing area and en-suite bathroom and the other master bedroom has an en-suite shower room. Also on this floor, there is the cinema room where you can gather to watch the latest movie on the big screen.

The first floor is home to three further bedrooms: a double bedroom with dressing room, en-suite bathroom and balcony; a double bedroom which can also be configured as a twin with en-suite shower room and balcony; and a quad bunk room sleeping four with en-suite shower room.
