VERBIER - SLEEPS 10+2

A rustic family retreat set against the breathtaking backdrop of the Swiss Alps.

DESCRIPTION

Nestled in a tranquil and secluded enclave, just a short drive from Place Centrale and the main lift station in Verbier, Chalet Albert-Luc, accommodating 10+2 guests, stands as a alpine haven, with beautiful white-washed wood exteriors.

The main floor welcomes you with an open-plan design, showcasing a sleek, glossy grey kitchen. The kitchen island overlooks the dining table, seating 10, creating a sociable space for gatherings. An L-shaped sofa cosies up around the wood-burning fireplace, and large French doors flood the space with natural light. Step outside onto the wrap-around balcony, providing sweeping views, with stairs leading down to the expansive garden. This floor also includes a double bedroom with an en-suite shower room.

Ascend to the top floor, where you'll find the remaining four bedrooms, each exuding a warm alpine charm. There is a master bedroom featuring an en-suite bathroom with both a bath and shower, TV, and balcony access. As well as a double room offering an en-suite bathroom with a bath and shower and balcony access. This floor also includes a family suite comprising a double bedroom and a quad bunk room, which share a bathroom equipped with a shower and a bath. Additionally, a convenient guest WC is located on this level.

Moving downstairs, the lower ground floor houses the spa, complete with a relaxation area, an indoor pool, and a hammam.
