CHALET ALINE

VERBIER - SLEEPS 6+2 SPA

A luxurious and beautiful family chalet perched in a wonderful private location in the heart of Verbier

DESCRIPTION

Chalet Aline has been beautifully designed with a wonderful consideration for local architecture and authentic alpine inspired furnishings.

This unique property is sumptuous and has majestic views of the Combin mountain range. Spread over three floors, there is a south-facing terrace or balcony on every floor, meaning the chalet is full of natural light.

You enter the Verbier chalet into the main living floor, dedicated to the open plan living and dining room and kitchen. Traditional aged wood, stylish furnishings, and subtle lighting creates a wonderful ambiance in the living and dining area.

A large open fireplace and comfy sofas complete the room. Floor-to-ceiling French windows open out onto the spacious balcony where you can sit and gaze upon the snow-covered mountains in the distance.

The top floor is home to the wonderful master bedroom which has its own private balcony and seating area. This room has a stylish and modern en-suite bathroom and separate shower. Also on this floor is a bunk room and private shower room, that is ideal for children.

The ground floor has two further double bedrooms which both have floor-to-ceiling windows which open out onto the terrace and garden. These bedrooms share a bathroom with shower.

After a day on the slopes, guests can unwind in the spacious TV room. For ultimate relaxation there is a wonderful hammam. A pretty window perfectly frames the picturesque view of the mountains.

This floor is also home to the chic ski and boot room which has its own entrance from outside. There is plenty of storage for all your ski gear and equipment.

There is one outdoor parking space with the chalet.
