A STYLISH ALPINE ESCAPE IN THE HEART OF THE
THREE VALLEYS

DESCRIPTION

Tucked away in the tranquil Raffort hamlet of Meribel, just a few minutes' walk from the Olympic gondola, Chalet Caribou is an elegant property that perfectly blends modern design with alpine charm. Spanning across three floors, this spacious chalet sleeps ten guests in five beautifully designed en-suite bedrooms, creating an idyllic retreat for families or groups seeking a sophisticated mountain escape. Chalet Caribou is part of a newly built complex and is connected to the neighbouring chalet.

On the ground level, you'll find everything you need to ease into your stay. A private laundry room and ski room with boot warmers make post-ski storage simple, while the sauna offers the perfect space to unwind after a day on the slopes. The first of five double bedrooms is located here, featuring an en-suite bathroom with a stone-tiled shower and elegant gold fixtures.

The heart of the chalet is the open-plan living, dining, and kitchen area on the first floor, where sleek modern design meets alpine warmth. Light pours in through floor-to-ceiling windows, leading onto two expansive terraces with stunning views of the surrounding mountains. One terrace features an outdoor dining table, ideal for al fresco meals surrounded by nature.

The kitchen is a chef's dream, boasting a central island with bar seating, leather stools, and washed green cabinetry that evokes a rustic alpine feel. The dining area, seating ten, is perfect for cosy dinners with loved ones, enjoyed by the glow of the wood-burning fireplace. Also on this floor is a beautifully appointed twin/double bedroom with an en-suite shower room and balcony access.

Head up to the top floor, where the master bedroom awaits a true sanctuary with a private balcony, desk, and TV. The en-suite bathroom is a standout, featuring twin sinks, a deep soaking bath, and a luxurious marble tiled hammam.

Two additional twin/double bedrooms, both with en-suite shower rooms, offer ample comfort and style, with sleek marble finishes and gold details. These rooms also feature balcony access, providing more opportunities to soak in the breathtaking mountain views. One bedroom, set up a few steps, has a charming round window that perfectly frames the alpine scenery, adding a unique touch to this inviting space.

Chalet Caribou offers covered parking for two cars. The property's contemporary finishes, combined with warm alpine materials like timber and stone, create a sophisticated yet cosy atmosphere throughout making it the perfect base for a memorable stay in Méribel.

An aerial photograph of a mountain resort in winter. The scene is dominated by snow-covered slopes and dense evergreen forests. Several large, multi-story wooden chalets with dark roofs are scattered across the upper part of the mountain. The sky is filled with soft, white clouds, and the overall atmosphere is serene and cold. The text 'bramble ski' is centered in the middle of the image, with 'BY LE COLLECTIONIST' below it.
