DESCRIPTION

REDEFINING THE LUXURY CHALET EXPERIENCE

Ideal for those wanting to immerse themselves in the beautiful wintery landscape, the property is situated less than a 1-minute drive from the Savolyeres lift station, whisking you up the mountain in minutes. Sleeping up to eight, this is an ideal retreat for a family ski holiday, with excellent luxurious facilities.

The welcoming living space on the top floor is open-plan and features a double-height vaulted ceiling, making for a wonderful airy feel, with a cosy chalet atmosphere thanks to the exposed timber throughout. The stylish interior design includes a dining table seating eight with lovely Scandinavian-style wishbone chairs, and plush sofas arranged around the rustic stone fireplace. The staggered pendant lampshades add a warm ambience to the dining area, perfect for memorable dinners together, with a convenient guest WC/shower room on this level making it ideal for entertaining.

A breakfast bar with stools divides the space from the sleek modern kitchen, with all the latest appliances. Above this is a beautiful mezzanine level, a cosy space ideal for curling up with your favourite holiday book. On the opposite side of the room, large sliding glass doors open out on to the sun-drenched terrace, a beautiful place to pause and drink in the fresh Alpine air and uninterrupted views.

Also on this floor is the gorgeous master suite, complete with a beautiful bathtub surrounded by windows out to the mountains, a separate shower, WC and shared balcony. Finished in cool neutral tones and wood, it is the perfect calming space to unwind in.

Moving down to the main sleeping floor, you'll find the other double bedroom a twin/double and a twin bedroom. The double room features the same tasteful colour palette and its own en-suite shower room, and terrace access leading to the outdoor swimming pool. The twin and twin/double bedrooms each have en-suite shower rooms, and the twin bedroom has a separate shared WC.

Outside on this level, is the fantastic heated outdoor swimming pool. Under partial cover yet open to the elements on all sides, it is magical to take a dip here as the snow falls all around and the steam rises into the chilly air. With trees all around this is a private and peaceful space to unwind in after active ski days. There is also a ski room on this floor, with abundant storage space.
