CHALET KITSUNE

VAL D'ISÈRE - SLEEPS 10 SPA

Stunning stand-alone ski-in/ski-out chalet, crowned by an exquisite heated indoor swimming pool

DESCRIPTION

Set over three floors, Chalet Kitsune is an exceptional newly-renovated ski-in & ski-out chalet, strategically positioned in close proximity of the lifts and just a quick, 5-minute drive into Val d'Isère's village. Chalet Kitsune is a contemporary, chic, chalet, located in one of France's most popular ski resorts, a perfect hideaway for you and your loved ones on your next alpine adventure.

The open-plan living/dining room is intricately designed with a play of luminous white hues against sophisticated dark accents creating an ambiance of modern industrial chic. Yet, the rich oak floors and wood panelling weave in the unmistakable warmth of the alpine spirit. The property is filled with light thanks to its numerous windows and French doors leading out onto the terrace, providing unlimited views of the mountain range and its surroundings. Here, the balcony invites you to savour an al-fresco breakfast or a sunset aperitif, embracing the very essence of mountain living.

An impressive marble-panelled, wood-burning fireplace presides in the centre of the living room, drawing you in to unwind on the plush sofa with your favourite read after a rewarding day out on the mountain.

Flowing seamlessly from the dining area, a sleek open-plan kitchen with lavish marble countertops compliments the large dining table, seating up to ten, creating an ideal setting for delightful, long meals with friends and family.

Chalet Kitsune has been carefully designed with vibrant lighting and statement artwork throughout. On the top floor there are four well-apointed bedrooms, flawlessly designed ceramic-tiled bathrooms. The ground floor houses another bedroom, a private spa with indoor heated pool & sauna, a sanctuary to rejuvenate those tired limbs, along with a TV room and dedicated ski & boot room.
