DESCRIPTION

REDEFINING THE LUXURY CHALET EXPERIENCE

This refurbished and beautifully finished property is ideally situated in the heart of the village, surrounded by the best restaurants and shops Verbier has to offer.

With a beautiful spacious living area, the chalet boasts a clean and modern style, combining traditional wood with sleek, modern furnishings. There is a large terrace to relax on after a day of skiing as well as an indulgent private spa.

As you enter the chalet after a day on the slopes, there is a boot room with heaters to safely stow away all your ski gear. On this floor there is also a guest toilet, a laundry room and a double en-suite room with shower. The bedroom has been carefully decorated in calm, neutral tones and has a TV mounted on the wall. There is a beautiful shower room en-suite with excellent lighting and luxury bathroom products.

Heading downstairs to the lower ground floor you will find the state-of-the-art private spa. This has been stunningly designed with grey slate tiles, traditional aged wood ceilings and features as well as a colorful lighting design which highlights the various features of the spa. A large, indoor hot tub is the focal point as well as a sauna and a hammam. There is a wet lounge to relax in and a guest toilet on this floor.

The main stairway has been beautifully developed with a spectacular lighting feature which guides you back up to the first floor and the main living floor. There is a spacious open plan living and dining area with a beautiful dining table to seat ten. The open plan lounge area opens out onto a south facing terrace, perfect for some after ski sunshine and cocktails. This luxurious sitting room is well equipped with a large flat screen TV and Apple TV.

There is a further double room with en-suite shower on the first floor which has been decorated with sumptuous fabrics, a flat screen TV and an en-suite shower room.

The top floor houses the majority of the bedrooms. There is a beautiful master bedroom with a stunning skylight and double doors out to a terrace or you can relax on the sofa by your own fireplace. The master bedroom also has a dressing room to make use of as well as a large bathroom with jacuzzi bath and shower.

There are two further bedrooms on this floor both of which are doubles with access to a terrace and an en-suite shower room (one also with a bath).

REDEFINING THE LUXURY CHALET EXPERIENCE

An aerial photograph of a densely packed mountain village in winter. The houses have snow-covered roofs and are interspersed with evergreen trees. A tall, white, modern church tower stands out on the right side. The foreground is blurred with out-of-focus branches, creating a sense of depth. The overall color palette is cool, with blues, greys, and whites, accented by the dark green of the trees.
