CHALET LALAPANZI

VERBIER - SLEEPS 10+2

Chalet Lalapanzi is a warm and traditional alpine hideaway close to Verbier’s vibrant centre

DESCRIPTION

This standalone chalet is a beautifully spacious six-bedroom chalet sleeping 10 adults and 2 children, offering a welcoming blend of comfort, authenticity and generous living areas. Ideally located just moments from the heart of Verbier, only a two-minute drive or a ten-minute walk from the Médran lift. It provides the perfect balance between peaceful seclusion and convenient access to the slopes.

Guests arrive through the indoor garage, which offers three indoor parking spaces. From here, a hallway leads to the dedicated ski room equipped with boot heaters and ample space for all ski equipment. Both the staircase and an internal elevator connect this level with the upper floors.

Reaching the ground floor, you enter a bright open-plan living space with a cosy lounge area (with TV) and direct access to an outdoor terrace boasting beautiful mountain views. Next to the living room is a well-designed, fully equipped kitchen with a sitting table in front of it.

To the left of this space are two bedrooms each with an en-suite shower room. On the opposite side, you'll find a children's bunk room and an additional double bedroom, both sharing a spacious bathroom with a bath and shower.
Just off the little hall near the staircase sits another bedroom, complete with a walk-in closet and an en-suite bathroom featuring double sinks.

This entire floor forms a warm and practical sleeping level ideal for families and groups.

Ascending to the first floor, you enter the main living area. On the left sits a small entrance hall with a guest WC and the chalet's main exterior door. To the right, the room opens into a stunning living space where high vaulted ceilings and floor-to-ceiling windows frame spectacular south-facing mountain views. A traditional fireplace adds warmth and character, while a mezzanine above serves as a quiet office and TV nook (pictures of the mezzanine coming soon). In the living room, large doors open onto a generous south-facing terrace, perfect for sunny days and panoramic alpine views.

To the left of this floor lies the spacious kitchen with an induction stove and a large dining area seating up to twelve guests. With warm wooden finishes throughout, this level truly captures the essence of a cosy, authentic alpine chalet.

The top floor is dedicated to the serene primary suite. A nice extra room while accessing this floor is a private office. This private retreat includes a walk-in closet and an en-suite bathroom with a bath, shower, double sinks and a towel heater. The bedroom also opens onto a south-facing balcony, offering a peaceful spot to enjoy quiet mornings and views of the surrounding peaks.

Generous, welcoming and perfectly located, Chalet Lalapanzi is a superb mountain home for families and friends seeking space, comfort and an effortless Verbier escape.
