REDEFINING THE LUXURY CHALET EXPERIENCE

Chalet Scandinavia is a beautiful retreat sleeping up to eight guests located just a few minutes' walk from Les Esserts piste and a 5-minute drive from the Médran lift station. This stunning dark wood chalet, complemented by pine green shutters, offers a true alpine contemporary experience, blending seamlessly with its natural surroundings.

Step inside this three-story haven, where the main floor unveils a uniquely designed open-plan kitchen and living area. The Scandinavian-inspired aesthetic is evident throughout, characterized by its beautiful layout and neutral tones. The fully equipped kitchen features an island with sleek grey counters and cabinetry, along with counter seating perfect for evening entertaining. The kitchen overlooks a dining table that seats up to eight guests, and the entire space is bathed in natural light from the surrounding windows and large doors that lead out onto a wrap-around balcony. Here, you can enjoy breathtaking mountain views, al fresco meals and hours of sunshine thanks to the balcony's south-facing aspect.

The living area, centered around a wood-burning fireplace, invites you to relax and unwind in cosy comfort. This floor is also equipped with a guest WC for your convenience.

Moving upstairs, the entire floor is dedicated to the master bedroom. This spacious retreat has a warm alpine feel complemented with striking interior design. This space includes a small desk area on the landing, a lounging area within the bedroom for your morning coffee with a view, and an en-suite bathroom with a separate shower. A TV is also provided for your entertainment.

The ground floor features three well-appointed and cosy bedrooms. The first is a double bedroom with an en-suite shower room. The second is a versatile twin/double bedroom, complete with a TV, an en-suite bathroom, and terrace access that leads to the outdoor hot tub. The final bedroom is another double room with an en-suite shower room. Each bedroom offers stunning mountain views, creating the ideal setting for a peaceful night's sleep in the heights of Verbier.

The ground floor opens out onto a spacious garden with the chalet's own hot tub, the perfect remedy for relaxation after a day in the mountains.

Chalet Scandinavia has its own garage with two indoor parking spaces.

REDEFINING THE LUXURY CHALET EXPERIENCE

An aerial photograph of a densely packed mountain village in winter. The houses have snow-covered roofs and are interspersed with evergreen trees. A tall, white, modern church tower stands out on the right side of the image. The foreground is blurred with out-of-focus branches, creating a sense of depth.
