

REDEFINING THE LUXURY CHALET EXPERIENCE

A MODERN SOUTH AFRICAN INFLUENCE fuses

masterfully with traditional Swiss features creating a stunning chalet.

The outstanding Chalet Petiti is nestled in Verbier's exclusive Swedish quarter. Split over four floors this impressive property sleeps eight people in four generous double bedrooms all with en-suite facilities.

This unique property is beautiful decorated throughout with a modern South African influence, mixed masterfully with the traditional aged wood and natural stone floors typical of Swiss chalets. Throughout, this alluring property is adorned with striking pieces of art, sumptuous fabrics, and exquisite furnishings.

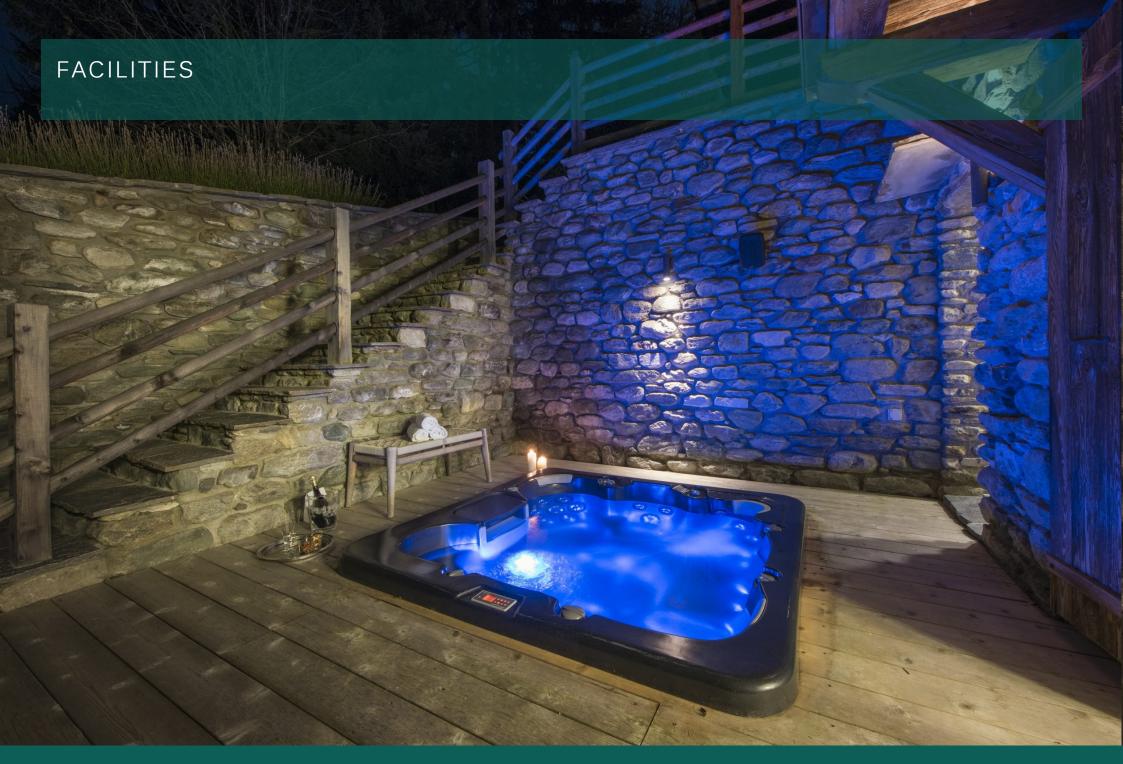

The main entrance to the chalet opens onto the top floor, into the extremely spacious living and dining room, kitchen, and bar. This is a striking room, with double height open ceiling and double height sliding windows, which leads to the wonderful balcony. The living area is focused around the large stone open fireplace surrounded by a sumptuous sofa and armchairs, the ideal spot for enjoying a drink prepared by our host alongside our delicious canapés in front of a roaring fire. Ten guests can comfortably enjoy exquisite dinners around the dining table.

Take the stairs down to the second floor where three individually decorated en-suite double bedrooms are located. Each bedroom has a distinctive design and colour scheme with sleek, modern en-suite bathrooms. The three bedrooms share a large sun-drenched southfacing terrace, the perfect spot to unwind and take in the stunning mountain views. The outdoor hot tub can be accessed from this terrace too. Also on this floor is the private laundry room and large ski and boot room.

Moving down to the ground floor, there is the fabulous master suite. A true haven of relaxation and serenity, this bedroom is luxuriously decorated with sumptuous fabrics and boasts high-vaulted ceilings, a fireplace, a large en-suite bathroom with separate shower, and a walkin wardrobe. It also allows access to the outdoor hot tub and private terrace. After a hard day on the slopes, retreat to the spa to relax and unwind. From the in-chalet spa you can access the outdoor hot tub and there is a lovely hammam and massage treatment room.

Hidden away on the lower ground floor is the generous cinema and games room. A large L-shaped sofa with ample cushions surround the screen making it the ideal spot to catch up on the latest movies after dinner. The chalet is wired throughout with Sonos.
