SASHA APARTMENT 3

COURCHEVEL - SLEEPS 6

A beautiful apartment, newly completed, only moments from the Jardin Alpin lift station

DESCRIPTION

Sasha Apartment 3 is a stylish three-bedroom apartment perfectly positioned next to the Jardin Alpin in Courchevel 1850. The apartment is only moments from the slopes in Courchevel 1850 and with views of the slopes from the windows. Making it the apartment ideal for keen skiers who like to be on the slopes early.

Rich textured fabrics combined with natural wood paneling create a warm and contemporary alpine environment. Sleeping six people in three double bedrooms all with en-suite bathroom or shower rooms, this Courchevel 1850 apartment is perfect for a family or group of friends.

You enter the apartment into the spacious open-plan kitchen, living and dining room, an ideal space for relaxing and entertaining. The large dining table acts as the focal point of the room, comfortably seating 8 guests, it is the perfect setting for gathering friends and family. Adjacent to the dining table is the open-plan kitchen, with marble-style worktops and a breakfast bar that seats four guests, creating a wonderfully social space. The living area is bathed in natural alpine light from the large windows.

On this floor, you will also find three double bedrooms, with sleek wood paneling and neutral-toned furnishings and fabrics, creating a calm sleeping environment. One bedroom has an en-suite bathroom, the second bedroom has an en-suite shower room and the final bedroom has a separate shared shower room. Also on this floor is a separate dressing room, providing plenty of storage for all guests.

Taking the stairs down to the lower ground floor you will find a cosy TV room and an additional shower room.
