VERBIER

SYMPATHIQUE 317

SYMPATHIQUE 317 is located in one of Verbier's most sought after locations, under 1-minute walk to the Medran lift station, ensuring you can be at the front of the queue for first lifts.

This fantastic apartment is a convenient getaway for a ski-hungry family or a group of friends looking to get the most out of Verbier's lively social scene. It is just a minute's walk from the main Médran lift station, so there'll be no excuses for missing the first lifts!

Sympathique 317 sleeps up to eight people in four bedrooms, it is the perfect property for a family or group of friends. It has beautiful valley views and across towards the spectacular Grand Combin. It is a comfortable and social space with a large dining table that seats up to 12 people so extra guests are welcome and there's plenty of lounge seating to spread out.

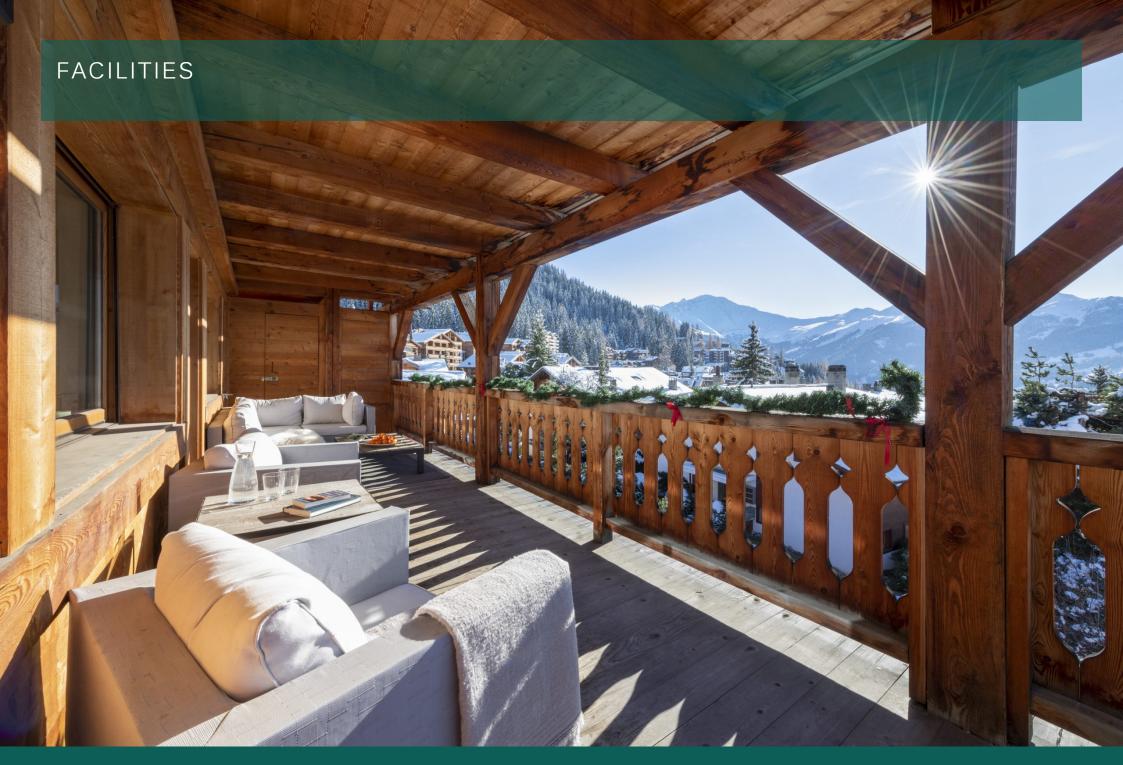

A glass wood-burning fireplace adds to the cosy factor while white-washed walls create a freshness and large windows let in natural light. The living area opens out to a generous deck, and, again here, plenty of comfy seating means everyone can grab a spot to kick back in the afternoon sun.

The kitchen is equipped with all the essentials and looks out over the large dining table and the views beyond. The apartment is simply decorated with a minimalist mindset, and small punches of alpine inspiration add warmth. There is a WC in the entrance hallway for visitors.

The main master bedroom is spacious and features a walk-in wardrobe, a TV and a bathroom, with a shower and a jacuzzi bath. The second bedroom has twin beds and a TV as well as a dedicated shower room across the hallway. The third bedroom is a double bedroom with an ensuite bathroom (with shower) and a TV. The final bedroom is a cosy bunk room, perfect for children.

This wonderful apartment is located on the third floor of the building, and overlooks the main bustling high street. Shops, restaurants and bars could hardly be any closer.

The apartment has private laundry facilities and a ski and boot room on the ground floor, with both internal and external access.
