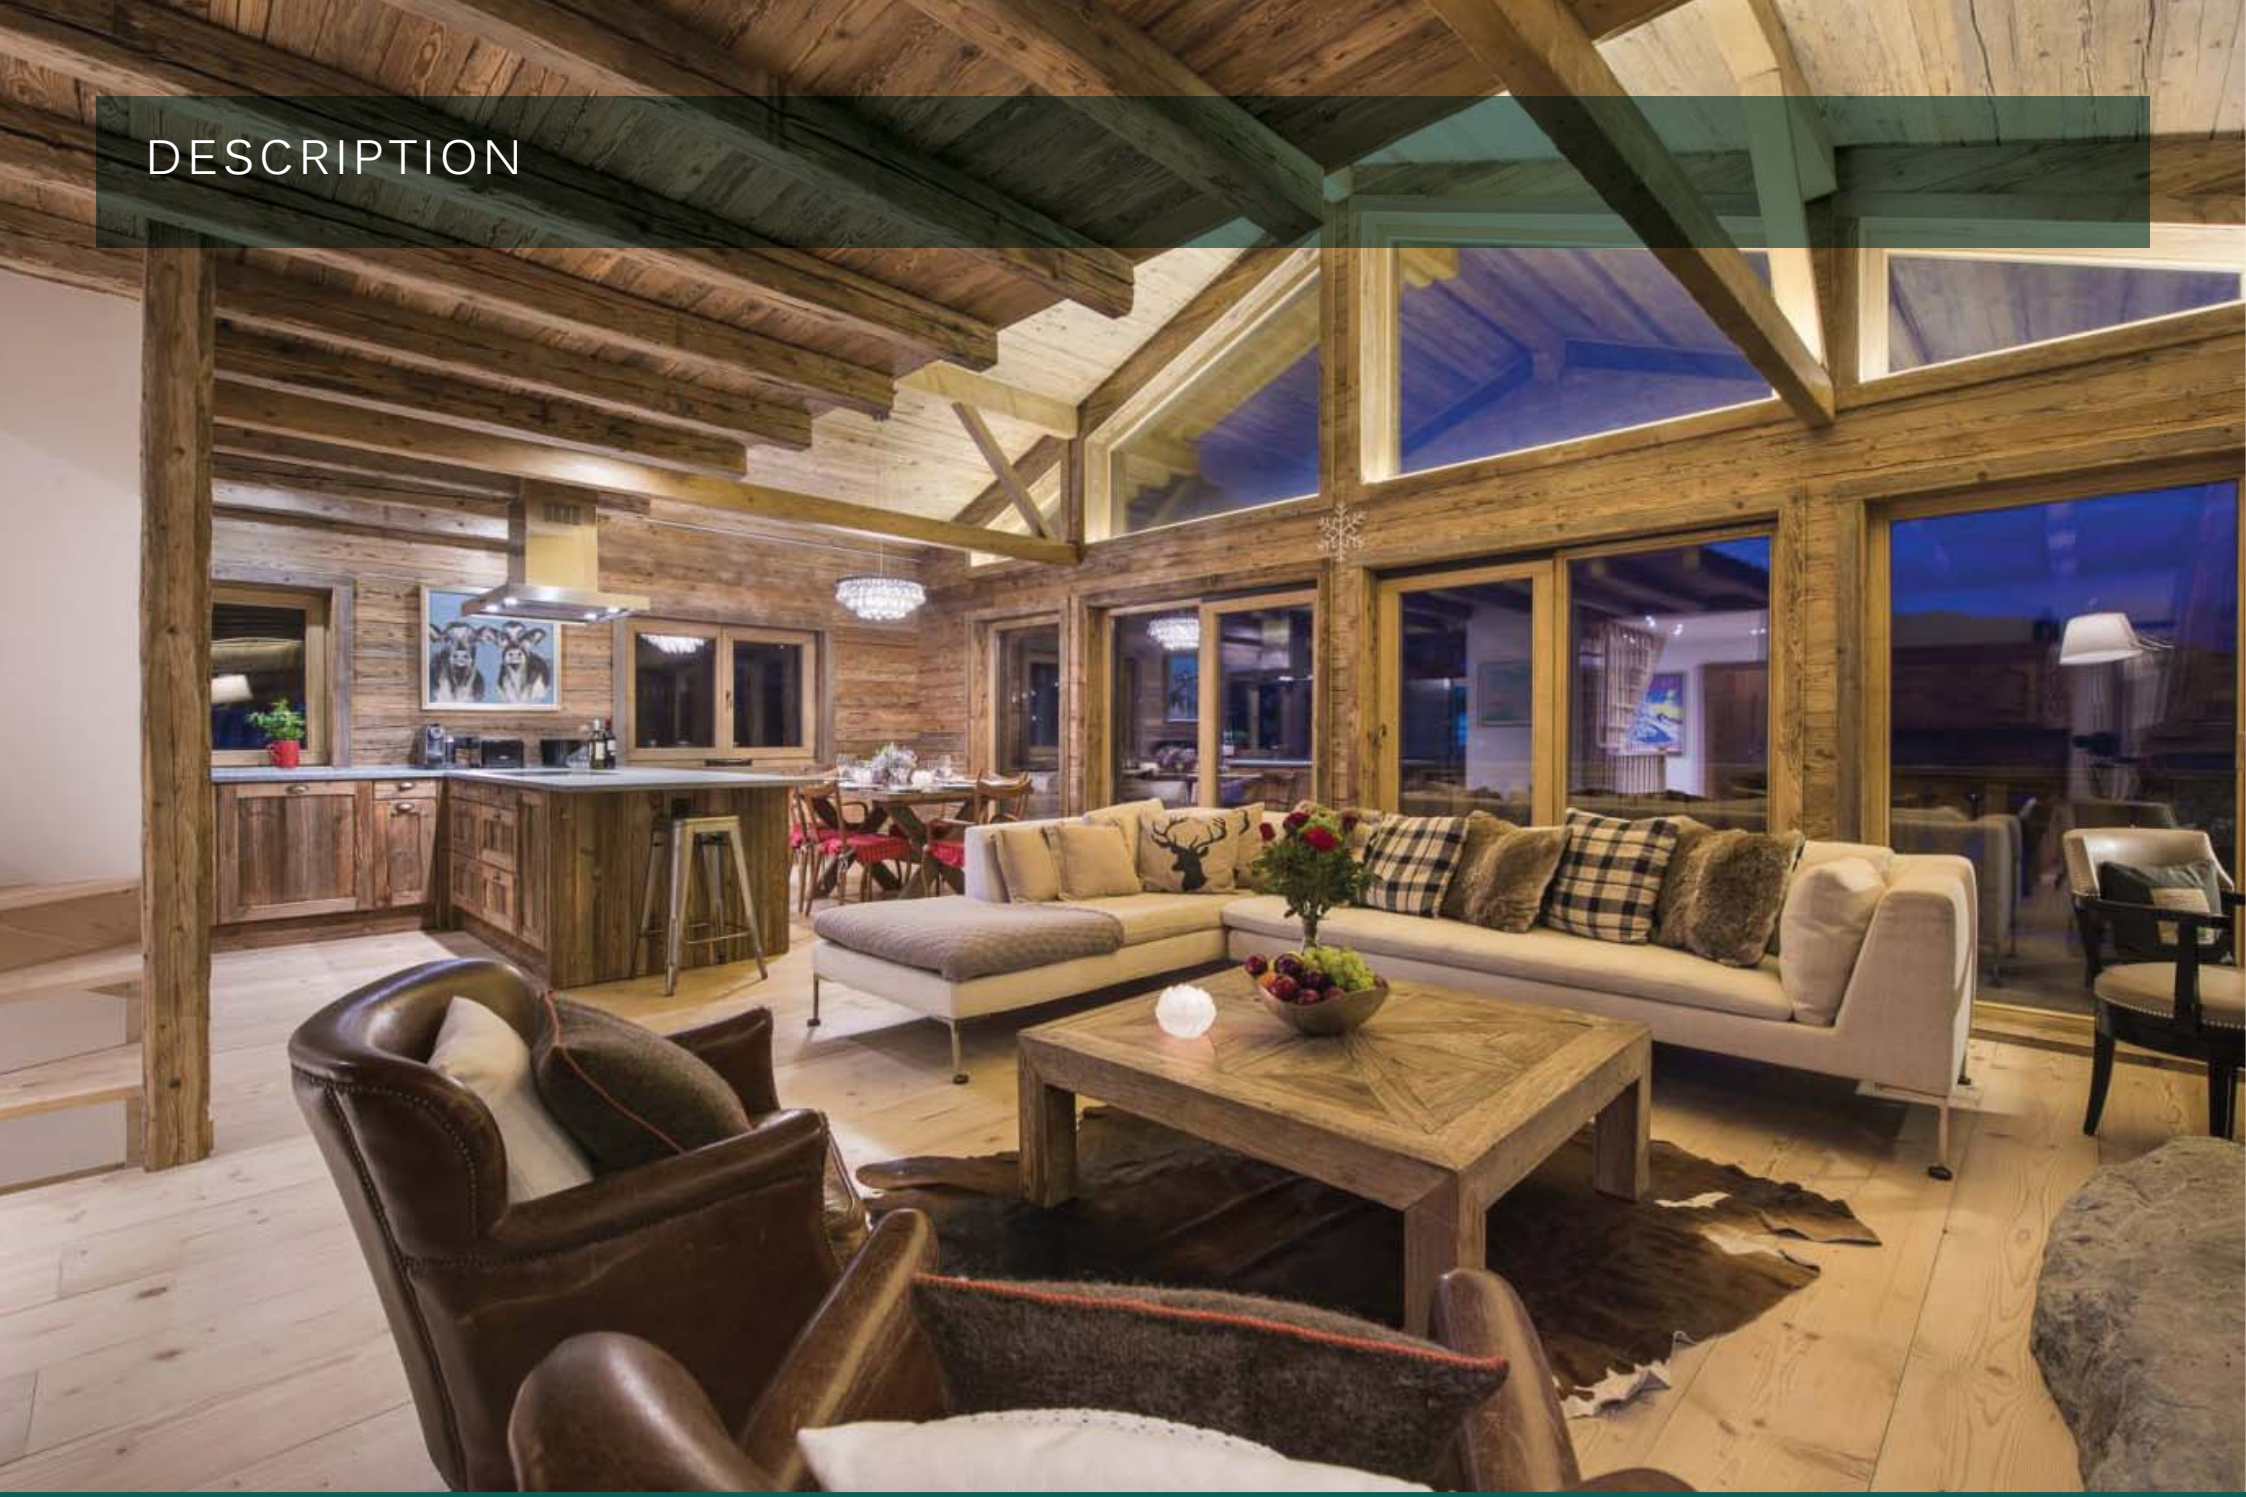
DESCRIPTION



Chalet Toundra is a luxurious, stand-alone chalet ideally positioned on the south-facing side of Verbier near to the Savoleyres lift station. An ideal base for families or groups of friends, Chalet Toundra enjoys privileged views of the Petit and Grand Combin mountain ranges as well as the twinkling lights of Verbier below. Recently completed and spread over two spacious floors, Chalet Toundra sleeps up to ten guests in four bedrooms.

Enter the chalet via the ground floor. An entranceway, with heated boot warmers and plenty of storage space, leads to the main sleeping area of the chalet. Three of the chalet's bedrooms are on the ground floor; a large double bedroom with en-suite shower room, a beautiful alpine-themed double bedroom, and a cozy children's bunk room. There is also a spacious bathroom on this floor.

The top floor of the chalet is home to the living and dining areas as well as the master bedroom, study, and an additional shower room with guest toilet. Framed by the large sliding glass doors, the open plan living and dining area's uninterrupted views seemingly transport you onto Verbier's pistes. The sitting area focuses around a traditional wood burning fireplace, with lots of seating for the whole family. Enjoy your favourite tipple by the side of a crackling fire as a personal chef and host prepare for the evening's service. Dinner is served in the dining area which is separated from the kitchen by a large breakfast bar. Moving outside onto the large balcony, there is an excellent hammock and outside sofa from which to enjoy the views in the wonderful spring sunshine.

The master bedroom with TV has a beautiful en-suite bathroom. Also on the top floor is a study area, a large guest shower room and toilet, and a double bed on the mezzanine.

The chalet is sold on a catered or self-catered basis. When sold on a catered basis, the chalet normally comes with a 24-hour 4WD driving service. If taken on a self-catered basis, the complimentary bus service departs to Carrefour, Médran, and Savoleyres from within 50 metres of the chalet.
