DESCRIPTION

REDEFINING THE LUXURY CHALET EXPERIENCE

Located just a minutes' walk from the main Rue de Medran in Verbier, this wonderful duplex apartment is in perfectly positioned near to all the bars and restaurants and to the main Verbier lift station.

Beautifully furnished with high quality, alpine inspired pieces Apartment Ivouette offers family's and groups of friends a wonderful luxury chalet holiday experience.

Set over two floors, the apartment affords wonderful views over the snow-capped rooftops below and the Mont Blanc Massif in the distance. During the day sun pours in through the floor to ceiling windows on both floors and in the spring months' guests can relax with an aperitif in the garden on the ground floor or sink in to the fur lined chairs on the first floor terrace.

This luxurious apartment offers plenty of space and can accommodate up to 10 people in five bedrooms all with en-suite bathrooms or shower rooms.

You enter the property on the ground floor and here you will find four bedrooms. Perfect for large groups there is combination of twin and double bedrooms; all with either en-suite shower rooms or bathrooms. Two of the bedrooms on this floor also have wonderful French windows which open out onto the spacious garden. Also on this floor, there is a cosy family snug which is bright and spacious. In the evening relax with a glass of champagne and a good book.

Moving upstairs, here you will find the sophisticated, open plan living and dining area. There are two seating areas, providing lots of space to relax and socialise. Comfy sofas surround the large, open fireplace and a bar separates the kitchen and dining area.

There is a large master bedroom, with en-suite bathroom. Light floods in through the French windows which open out onto the upstairs terrace. There is also a sauna on this floor perfect for soothing aching muscles after a hard day on the slopes.

FACILITIES

A photograph of a wooden sauna interior. The walls, ceiling, and floor are made of light-colored wood. There are three tiers of wooden benches. On the middle bench, three white towels are rolled up. In the foreground, a wooden bucket with a handle sits on the floor. A thermometer is mounted on the wall in the upper left corner. A window with vertical wooden slats is visible in the background, letting in some light.

DIRECTIONS

Arriving into Verbier, continue straight until you get to the traffic circle at Place Centrale. Take the second exit towards Médran. Continue past the lift station and the W hotel, follow the road around to the right and then take the first road on the right. Hiver is at the end of this road.

An aerial photograph of a densely packed mountain village covered in snow. The houses have dark roofs and light-colored walls. A tall, white, cylindrical tower stands out among the buildings. The scene is framed by blurred evergreen branches in the foreground.
